

Help your Leaders ignite and sustain change.

Ensure your organization's next generation of leadership has the preparedness to accept greater responsibility

Organizations that participate in this Program experience:

Higher Employee
Engagement

Healthier
Company Culture

Happier
Employees

Organizations with their sights set on thriving in today's business environment need Leaders that can be prepared to usher their company to the next level.

Our **Igniting Change** program helps your Leaders boost their effectiveness by increasing self-awareness around their strengths and key development opportunities. This program is

tailored to the unique needs of each individual and how they learn and grow.

Fully customized to integrate with your organization's culture and values, the **Igniting Change** program guides your Leaders in a way that prepares them for greater responsibility – all while maintaining alignment with your company's vision and goals.

Over several months, your participating Leaders will:

Receive 360° feedback
to create and build self-awareness around key development areas

Implement development actions into daily work
and receive feedback, reinforcement, and accountability from their Coach

Build leadership capacity
and develop the needed skills to take on more responsibility
