

High-Impact support to meet  
your Leaders' needs TODAY.

When organizations invest in this program, they see:

Higher Resilience

Increased Productivity

Greater Responsibility

Our **In the Moment Coaching** program is short-term, high-impact coaching that organizations use to support Core Leaders during critical moments, and to help build skills that meet real-time challenges.

Customized to meet the needs of each Leader, this short-but-

mighty program helps Participants address real-time issues and craft a productive path forward.

By having the support of a Coach during in-the-moment challenges, Leaders are able to more effectively navigate stressful times and challenging leadership moments.

Organizations that invest in this program find that:

**99%**

**of Participants** address  
real-time challenges

**89%**

**of Participants** are more effective  
in managing challenges as they arise

**99%**

**of Participants** felt that  
having the support of a Coach was critical  
to their success during this time
